

Ascend[®] Nasal

Ascend to a higher level of comfort and convenience

Rise to a higher level of comfort and convenience with the Ascend Nasal Mask. Our patented AIR[°]gel replaceable cushion is easily detached and reattached for cleaning and cushion replacement, saving both time and money.

Touchless Spacebar

Unique design provides superior stability, maintaining a seal without contacting the skin.

Replaceable Cushion

Now you can replace the cushion without having to replace the whole mask. Available in three sizes.

S | M | L

Quick Release Tab

Lightweight breathable headgear removes easily with one hand.

AIR[°]gel[®]

Maximum comfort and minimal headgear tension. AIR[°]gel[®] minimizes pressure points and skin irritation.

360° Rotating Elbow

For optimal tube positioning and easier mobility.

Active Headgear Connector

Moves as the patient moves for a reliable seal.

What makes our Ascend Nasal Mask different?

Replaceable Cushion - Available in three sizes with simple and breathable quick-release AFit headgear. Our easy-to-use replaceable cushion allows you to extend the life of your mask.

Active Headgear Connector - Moves as patient moves for a reliable seal.

Touchless Spacebar - Unique design provides superior stability, maintaining a seal without contacting the skin.

AIR°gel® Cushion Technology

Our patented AIR°gel technology with an ergonomic design reduces pressure while maintaining an effective seal.

Easy-to-Replace Cushion **S M L**

Assembly: Place the top alignment pin in the notch. Push the bottom until all pins are secure.

Disassembly: Squeeze the sides of the cushion frame to release from mask.
